I learned more about Art
that every time you draw you draw
something new and the pictures
tell a story. My favorite thing
to in art is drawing because
I see new things for me to draw
in the next one.

I learned that "Zebras" live in "Africa".
The reason I chose my animal is because
I like the "Zebras" fur color's they
are very pretty.

LEARNING STATEMENT

While working on "ABC'S OF MICHIGAN – *MANY WAYS OF LEARNING*"
I learned.....

I chose focus I chose that word because
some people don't listen and some people do.
Why focus is important so you could learn every-
thing you need to learn if you don't and your teacher
is explaining it and you have to do it for your
homework you won't know what to do because
you wasn't paying attention. Then when you
go to school the next day your teacher will say
why it isn't finished and you would say you
didn't know what to do she would say you wasn't
focus I explained it. Then on your report card
you might get a C- or a D-

I learned.....

I chose the letter L for work
because if you don't do your work
you could get a bad grade and fail
that class. But if you do your work
you would get good grades and you
will pass that grade and then
you will probably get your degree
and you could get a job. Then
you can be what ever you
want to be when you grow up.
